

Uzbekistan Airways took part in the tourism fair "Отдых-2023"

2023 15 April

JSC Uzbekistan Airways took part in the National Stand "Uzbekistan" at the International Tourism Fair "Отдых-2023", which was held from April 13 to 15, 2023 in Minsk, Republic of Belarus.

"Отдых-2023" is the largest tourism fair in Belarus in the Tourism and Leisure category. This is an international business platform for countries, regions and travel companies from all over the world that present their products and services on the Belarusian market. Participants and visitors of the exhibition have the opportunity to meet with representatives of world travel associations, industry regulators, find new customers and partners, and learn about industry trends at unique business program events.

The International Spring Exhibition-Fair of Tourism Services "Отдых-2023" is an effective business platform for advertising tourist routes, new tours, meetings with old partners, and establishing new business contacts.

The participation of Uzbekistan Airways at this fair will serve to develop relationships with local tourist operators and promote flights from the Republic of Belarus to the Republic of Uzbekistan, as well as popularize the services provided by the airline to attract direct and transit passenger traffic on the flights of JSC.

Uzbekistan Airways operates flights from Tashkent to Minsk twice a week - on Mondays and Thursdays.
