

JSC «Uzbekistan airways»

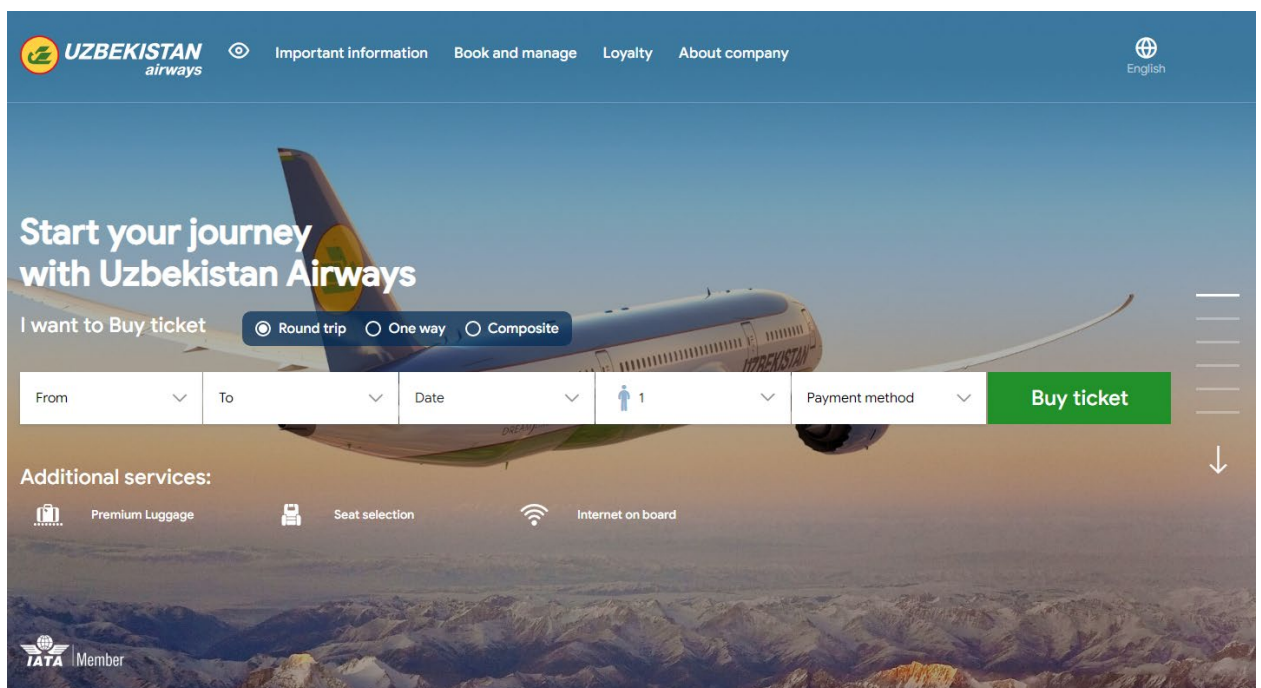

Instruction for
booking and buying
air tickets on the
website of JSC
«Uzbekistan airways»

Joint stock company Uzbekistan Airways offers its passengers to book and purchase tickets for the airline's flights independently.

The service is available for persons over 18 years of age.

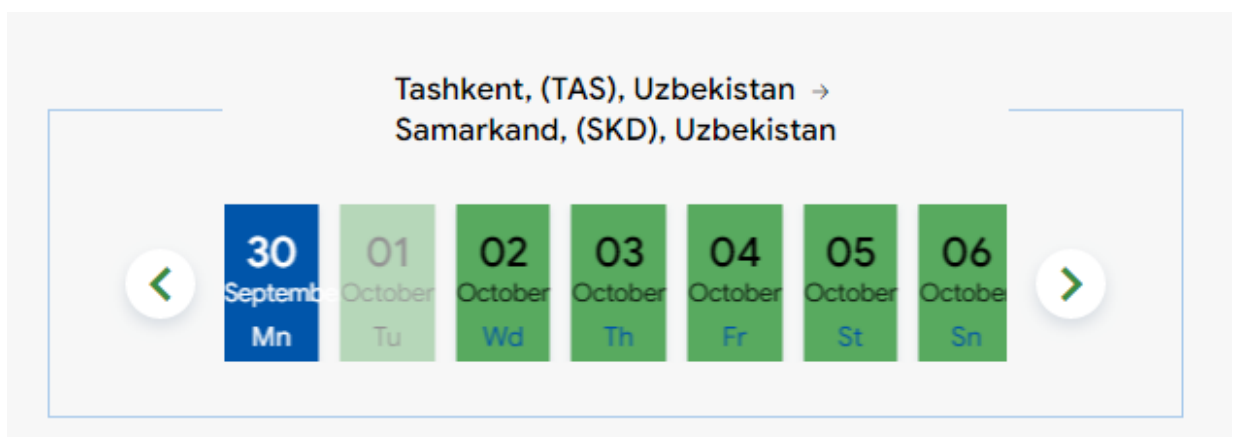

To book and purchase tickets on our website you need to perform some simple actions:

1. On the main page of the site you need to choose the direction, date of departure, specify the flight "One way" or "Round trip", determine the number of passengers, as well as the method of payment, and then click on the button "Buy a ticket".

2. Then you will be offered a list of flights that are close to or coincide with the date which You selected.

Semi-transparent cells indicate the days when the flights to this destination are not operated.

3. Recommended You to read the current regulations
4. Choose the class of service you are interested in
